

This variety is protected by Plant Breeders' Rights. By opening this bag or container in anyway you are agreeing to the following conditions attached to the use of this protected variety.

- You will provide information to the BSPB on any sales, use and planting of the certified seed.
- You will declare and pay royalties promptly to the BSPB if Farm Saved Seed of this variety is used.
- You will grant the BSPB access to records to audit/verify any use of Farm Saved Seed.
- You will pass on the above contractual obligations to a new purchaser of this seed.

---

These conditions are set out in full on the breeders' website and in the conditions of sale attached to the seed sale confirmation.
